Re: April Meeting

Industry Committee Changes Site of April 29 Meeting

The Arkansas Science & Technology Authority Board of Directors Industry Committee will meet April 29 at the Authority offices, 100 Main Street, Suite 450, Little Rock. The committee has cancelled its plans to meet at Global Manufacturing in Little Rock. The Committee will still convene at 8 a.m. The meeting is open to the public.

The Committee makes recommendations to the Board on behalf of the Manufacturing Extension Network, an Authority program. The purpose of the Network is to improve Arkansas' manufacturing and industrial world class competitiveness through the delivery of comprehensive technical and business assistance services.

For more information about the Network, visit our site at: <http://www.state.ar.us/asta/network.html> (.)

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
